Chris,

This email comes per your request referencing our earlier phone conversation about a direct appropriation of \$150,000 we received in January of 2008 for a 2nd offense DUI program. As you might recall; we signed documentation accepting the appropriation (late January), published a request for proposal, worked through local contractual concerns, and received local government signatures allowing us to use the money (March), having three months left to utilize the balance before the end of the 07-08 fiscal year. We ended the fiscal year with \$44,175. We are seeking permission to carry forward this amount into the 08-09 fiscal year so this treatment effort can continue. Thank you for your time and consideration in this matter.

Sincerely,

Roger Henderson
